

ANNOUNCEMENTS: BENJAMIN FORSTAG

AMERICAN TELEMEDICINE ASSOCIATION: FEDERAL TELEMEDICINE POLICY SUMMIT

WASHINGTON DC - HYATT REGENCY ON CAPITOL HILL

JUNE 27, 2013 AT 1:00 PM & JUNE 28, 2013 AT 12:00 PM

The ATA Federal Telemedicine Policy Summit is an opportunity to hear and interact with leaders from Congress, key federal agencies and influential policy thinkers about the latest developments affecting telemedicine. The Summit will include participation of key stakeholders including healthcare providers, business interests, medical societies, consumer groups and more. Join the conversation and hear the latest, inside information about the swift changes underway in healthcare delivery, public policy and the opportunities these provide for those involved in telemedicine. The Summit has an exciting line-up of speakers, representing the nation's top policy leaders in healthcare.
