

ATA ANNOUNCEMENT

BENJAMIN FORSTAG

SENIOR DIRECTOR OF COMMUNICATIONS, AMERICAN TELEMEDICINE ASSOCIATION

ATA 2012: 17TH ANNUAL INTERNATIONAL SCIENTIFIC
MEETING & TRADESHOW

APRIL 29 – MAY 1, 2012 IN SAN JOSE, CA

The ATA Annual Meeting is the largest telehealth event of the year, with over 450 peer reviewed presentations and the world's largest tradeshow focusing exclusively on telemedicine, telehealth and mHealth technologies.

Join 4,000 telemedicine professionals and discover the technologies that are revolutionizing healthcare.

The 2012 meeting focuses on the business of telemedicine, model programs and best practices, innovative technological applications and the latest scientific research findings. For full program information, visit <http://www.ata2012.com>.
